

Annual BBQ a HUGE Success!

If you missed the barbeque, you missed a great time. There were about 50 in attendance to include State Representative Barbara Bailey and Commissioner

Kelly Emerson. It was beautiful weather and lots of fun. Lew Randall gave a very informative speech on the economy and what the recent budget passed in D.C. really means. It is chilling and we should all have this information. Lew is a board member of the CATO Institute, a public policy research organization and think tank dedicated to the principles of individual liberty, limited government, free markets and peace. Their website is: www.cato.org.

At the barbeque, Jeff Lauderdale, husband of our very own member Julie Lauderdale, announced his candidacy for Island County Commissioner, District 1. While our club cannot formally endorse candidates until after the primary, Jeff is an excellent candidate and im-

minently qualified. I encourage you to learn more about him by visiting www.electjeff2012.com.

I know we are all busy with summer fun but I hope to see you all at our upcoming September meeting where Jeff will be our guest speaker.

Best,

Debbie Cunningham
